Dear CAG Colleagues:

Unfortunately, this month's CAG meeting will once again find me out of state. Fortunately, however, now I have an alternate. He is a friend, a fellow Sierra Club member, and a resident of the Globeville neighborhood. His name is Joe Elliot; and he's worked with Drew from time to time in the past on i70 expansion issues.

I'm including Joe on this email, and I'd appreciate it if you could add him to your distribution lists, so we can always make sure there's someone from the Sierra Club's environmental justice team I lead at CAG meetings, in addition to those community residents on the CAG who already are members.

Paz,

Lloyd

Hello CAG Members,

You all should have received a Google calendar invitation from me last week for the remaining 2019 CAG meetings. These meetings take place every 3rd Tuesday of the month at 5:30 PM. EPA will present their quarterly update at the February 19th meeting.

NOTE: There is a change in venue. Community members requested that we move CAG meetings into the GES neighborhoods. Focus Points has graciously offered to host us. Please make note of this.

Regards,

Kim
